LIMITATION OF CARRIERS' LIABILITY IN INTERNATIONAL TRANSPORT  
OF GOODS BY ROAD

Communication from the International Chamber of Commerce (ICC)  
and the International Road Transport Union (IRU)

Pursuant to resolution No.71 of the Sub-Committee on Road Transport (E/ECE/TRANS/470, Annex), the ICC and the IRU have discussed the question of limiting carriers' liability. They are agreed in proposing that the liability of carriers in international transport of goods by road should be limited to 18 gold francs per kilogram missing.

A limited distribution is given to documents of the Inland Transport Committee and of its subsidiary bodies. They are distributed only to governments, to specialized agencies and to governmental and non-governmental organizations participating in the work of the Committee and of its subsidiary bodies, and should not be given to newspapers or periodicals. The Inland Transport Committee, at its ninth session in July 1952, recommended the strict application of this regulation.
